

WASTE CONNECTIONS  
OF COLORADO INC.  
*Connect with the Future®*

February 14, 2011

Dear Liberty Hill HOA Resident:

Waste Connections of Colorado is now able to offer RecycleBank Rewards program in the Liberty Hill HOA. **Please see below for the exclusive Liberty Hill pricing of this exciting new program.**

RecycleBank encourages households to recycle with the added incentive of reward points. In turn, Waste Connections of Colorado collects more recyclables and reduces waste otherwise destined for landfill disposal. Moreover, it's easier than ever for residents to recycle – the new program brings with it single stream recycling in which households can place all acceptable recycling materials into one 96 gallon cart without having to sort paper, plastic and glass separately. The 96-gallon cart includes an RFID tag that matches the cart to the household address and account number. Waste Connection's trucks, retrofitted with special technology, pick up your recycling bi-weekly and track recycling activity. The amount you recycle is converted into RecycleBank Points that can be redeemed for reward certificates that are good for dollars off purchases or even gift cards. Similar to frequent flier programs, the more the family recycles, the more each household earns. The average number of reward points earned per household is \$15 to \$20 per month. Some of the current vendors with our redemption program are Dicks Sporting Goods, Target and Bed Bath and Beyond.

If you do not currently have Waste Connections for your waste service and would like RecycleBank rewards program, you will need to sign up for trash and RecycleBank together. Once you start your new service you will have the choice of a 64-gallon or 96-gallon toter for trash and you will receive a 96-gallon toter for recycling. The toters are included with the service at no charge or deposit.

**PLEASE CALL WASTE CONNECTIONS  
CUSTOMER SERVICE AT 303-288-2100  
TO RECEIVE THE APPROVED PRICING FOR YOUR COMMUNITY  
AND START YOUR NEW SERVICE TODAY.**

**REMEMBER TO ENCOURAGE YOUR NEIGHBORS TO SIGN UP.  
The more Liberty Hill homeowners who participate in the trash  
and RecycleBank program, the better rate the community will  
receive.**

Thank you  
Your Friends at Waste Connections
